PRELIMINARY STATEMENT

Jupiter Energy Corporation ("Jupiter Energy") performs transportation services for Union Oil Company of California, Kerr-McGee Corporation, and Phillips Petroleum Company pursuant to the rate schedules included in this tariff, certificates of convenience and necessity granted by the Federal Energy Regulatory Commission and its predecessor agency in function, the Federal Power Commission ("Commission", as applicable), orders issued by the Commission, and contracts on file with the Commission.

Jupiter Energy is the successor to The Jupiter Corporation. In The Jupiter Corporation, 53 FPC 1082 (1975); The Jupiter Corporation, 35 FPC 1091 (1966); and Jupiter Energy Corporation, 19 FERC 61,051 (1982), the Commission provided for rates for transportation service to be performed by Jupiter Energy to the aforesaid transportation customers. The rates provided for in such dockets were superseded by Jupiter Energy's Original Vol. No. 1 of this tariff.

Map

See 35 FPC at page 1105 for maps of Jupiter Energy's pipeline facilities.

Effective Date: 11/23/1986 Status: Effective

FERC Docket: RP86- 80-002

Third Revised Sheet No. 4 Third Revised Sheet No. 4 : Effective
Superseding: Second Revised Sheet No. 4

RATE SCHEDULE 1A

AVAILABILITY

This rate schedule is available to Union Oil Company of California for transportation service performed by Jupiter Energy pursuant to contract on file with the Commission, certificate of convenience and necessity issued by the Commission, all applicable orders of the Commission, and the provisions of this rate schedule.

STATE OF RATE

The rate for such service is 3.0¢ per Mcf plus the Annual Charge Adjustment rate per Mcf.

ANNUAL CHARGE ADJUSTMENT

1. Purpose. It is the purpose of this Annual Charge Adjustment ("ACA") Clause to collect from the transportation customers of Jupiter Energy an ACA per-unit charge as specified by the Commission. In Docket No. RM87-3-000 et seq., the Commission, acting pursuant to certain provisions of the Omnibus Budget Reconciliation Act of 1986, provided for, among other things, certain annual charges to be assessed by the Commission against pipeline companies, including Jupiter Energy, to reimburse the Commission for costs incurred by the Commission. This ACA Clause provides for Jupiter Energy's recovery of such charges.
2. Basis of the Annual Charge Adjustment. Jupiter Energy's ACA rate will be the unit charge specified by the Commission for the fiscal year October 1 through September 30 adjusted for Jupiter Energy's pressure base. The unit charge will be applied to the rate for all gas transported by Jupiter Energy. It is the intent of Jupiter Energy not to recover any of such annual charges in a Natural Gas Act Section 4 general rate change filing.

Effective Date: 10/01/1997 Status: Effective

FERC Docket: TM98-1-65-000

Eleventh Revised Sheet No. 4A Eleventh Revised Sheet No. 4A : Effective
Superseding: Substitute Tenth Revised Sheet No. 4A

3. Filing of Annual Charge Adjustment. Jupiter Energy will file changes in the ACA rate each year at least 30 days prior to the proposed effective date. The proposed effective date each year will be October 1.
4. Per Unit Charge. The ACA per-unit charge shall be .22¢ per Dth.

TERMS AND CONDITIONS OF SERVICE

Except to the extent superseded by this rate schedule, the terms and conditions of such service shall be as specified in the applicable contract on file with the Commission.

Effective Date: 11/23/1986 Status: Effective
FERC Docket: RP86- 80-002

Third Revised Sheet No. 5 Third Revised Sheet No. 5 : Effective
Superseding: Second Revised Sheet No. 5

RATE SCHEDULE 2A

AVAILABILITY

This rate schedule is available to Kerr-McGee Corporation for transportation service performed by Jupiter Energy pursuant to contract on file with the Commission, certificate of convenience and necessity issued by the Commission, all applicable orders of the Commission, and the provisions of this rate schedule.

STATE OF RATE

The rate for such service is 3.0¢ per Mcf plus the Annual Charge Adjustment rate per Mcf.
